# 2014 Operational Goals for OWASP Projects

**Primary Goal:** Continue to evolve the OWASP Projects Infrastructure by developing operational systems that facilitate Leader participation and innovation.

**Subgoal 1:** Continue to work on the operational projects platform with the aim of developing it to be more self sufficient for Leaders.

**Subgoal 2:** Bring more Project Leaders together in 2014.

**Subgoal 3:** Solidify the Projects Review Process.

**Subgoal 4:** Design a more sustainable revenue stream using the Project's IP.
