

SAVE THE DATE

Friday, October 30th, 2009

for the

3rd Annual Security Symposium

@ The NKU METS Center
9:00 a.m. - 4:00 p.m.

*Check-in begins at 8 a.m.

Learn about the "State of IT Security"

The College of Informatics at Northern Kentucky University has completed a detailed study of small, medium and large organizations across both private and public sectors.

Plan now to attend the 3rd Annual Security Symposium and learn how your organization stacks up against your peers in areas like antivirus, business continuance, intrusion detection, budgets, etc.

Kevin Gallagher, Ph.D.
