

The International Conference on Cyber Security 2018 is pleased to announce that former Director of the Central Intelligence Agency, John O. Brennan, will be a keynote speaker at this year's conference.

ICCS 2018 is a four-day event featuring more than 60 unique lectures from keynote, distinguished, plenary, and parallel speakers in the disciplines of emerging technologies, operations and enforcement, and real life experiences. ICCS 2018 presents exceptional opportunities to meet and talk with some of the greatest cybersecurity experts in the world.

The International Conference on Cyber Security 2018 registration fee is \$895 per person. The LEW and CST workshops cost an additional \$75 each. Select New York City hotel rates are available. Registrations are handled on a first-come, first-served basis. The conference will sell out, so register early!

Visit iccs.fordham.edu for additional conference details and updated information.
